Scoil Eoin Phóil Mobile Phone and Electronic Devices Policy

Rationale

This policy was devised to reduce the intrusiveness of unauthorised technology in the school environment.

Internal School Procedures

- Children are not allowed to have mobile phones / personal electronic devices in school.
- Children who need to contact home during school hours may do so through the school secretary using the school landline phone.
- Any pupil found with a mobile phone or electronic device in school will be asked to leave it in the school office where it must be collected by a parent / guardian.
- Staff has access to the school landline if calls need to be made to parent(s) / guardian(s).
- The school is aware that in very rare situations, a child will be required by a parent / guardian to bring a mobile phone to school. In these circumstances the child must bring the phone to the office and collect it at 3pm.
- The school will not be responsible for any phone/ electronic device lost/stolen/misplaced.

This policy was ratified by the Board of Management on 9/6/2019
