Newsletter September 16th 2022

Dear Parent(s)/Guardian(s),

I hope this letter finds you all well and that our students are settling back into their classes. We are all looking forward to the year ahead and we hope the students are too. I would also like to welcome back all our staff members, including Ms Moloney, our Second Class teacher, and Mrs Cotter, our Special Needs Assistant who have joined the team this September.

**Lego Club:** I am happy to announce that our Lego Club will be starting back very soon. It was a great success for the school last year, and has resulted in growing interest from our students this year. Lego Club will afford the students opportunities to collaborate, be creative, build social skills and most importantly, have some fun! My thanks to all the teachers who are supporting this initiative as a lot of work goes into preparing, timetabling, supervising etc.. We will be posting pictures of Lego Club members and their creations on our website throughout the year.

**Information night:** Thank you to all our infant parents and teaching staff who attended our information nights over the past two weeks. I hope you found them beneficial. For any parents who were unable to attend, the powerpoints will be forwarded on through aladdin.

**Skipping Workshop:** A big thank you to Skippy John who hosted a two day skipping workshop with all our classes. I am aware that he sold out of skipping ropes today but if any student still wishes to purchase a rope, parents can contact the class teacher through aladdin and we will put an order in. The school has purchased some equipment also, so classes can continue to ensure the skills they learned over the past few days are not forgotten. Photos will be posted on the school website in the coming days.

**Class Photos:** Just a reminder that Lafayette photography will be with the school next Tuesday. Our Junior Infant classes will be getting their photo taken, along with all other classes for the yearly school calendar. Can I ask families to ensure students are in their full uniform for the day. No PE tracksuits are to be worn on Tuesday please.

Have a lovely weekend!

Kind regards,  
Mr O'Boyle
